

# Taking advantage of low carbon and major infrastructure opportunities arising out of the US stimulus package

Pinsent Masons

KAYE SCHOLER

## Breakfast Briefing

Pinsent Masons  
CityPoint  
One Ropemaker Street  
London EC2Y 9AH

Thursday 23 July 2009

## About the seminar

The \$787 billion American Recovery and Reinvestment Act of 2009 offers UK/EU companies substantial opportunity. Companies are invited to form joint ventures and/or acquire US organisations and take advantage of the grants, tax credits and loans set aside for projects in transportation infrastructure, renewable and alternative energy, smart building technology and utility projects.

Join Pinsent Masons and US law firm Kaye Scholer for breakfast on 23 July to learn more about how your company could benefit and network with other organisations looking to take advantage of these opportunities.

## Speakers

### Paul Rice, Partner, Pinsent Masons (London)

Paul is a Partner within the London Property Group and heads up the firm's Environment and Clean Energy practice. He sits on the CBI's Sustainability Special Interest Group and the Investment Property Forum's Sustainability Panel.

### William A. Tanenbaum, Partner, Kaye Scholer (New York)

Chair of the Technology, Intellectual Property and Outsourcing Group and a leader of the firm's GreenTech, Energy Efficiency, Carbon Trading and Environmental Sustainability Group at Kaye Scholer, Bill is recognised as a leading lawyer by Chambers USA and Who's Who Legal.

### Madeleine M. L. Tan, Partner, Kaye Scholer (New York)

Madeleine advises corporations, financial institutions and specialized funds on the financing of alternative energy projects as well as derivatives and structured products relating to Emissions Allowances and credits.

### Gary J. Gartner, Partner, Kaye Scholer (New York)

Gary's practice focuses on advising clients on US and foreign tax matters. He is recognised as a leading tax lawyer by Chambers USA and Legal Experts.

### Richard G. Smolev, Partner, Kaye Scholer (New York and London)

Richard has broad experience in restructurings and distressed acquisitions in the energy, transportation, manufacturing and real estate sectors.
