## By Road From William Nicol

Turn into Sandton Drive from William Nicol Drive. Drive approximately 2.5km, up the hill past Sandton City to the Rivonia Road intersection. Continue straight over and 61 Katherine Street is the second building on the left, approximately 50m from the intersection.

## From the south along Rivonia Road

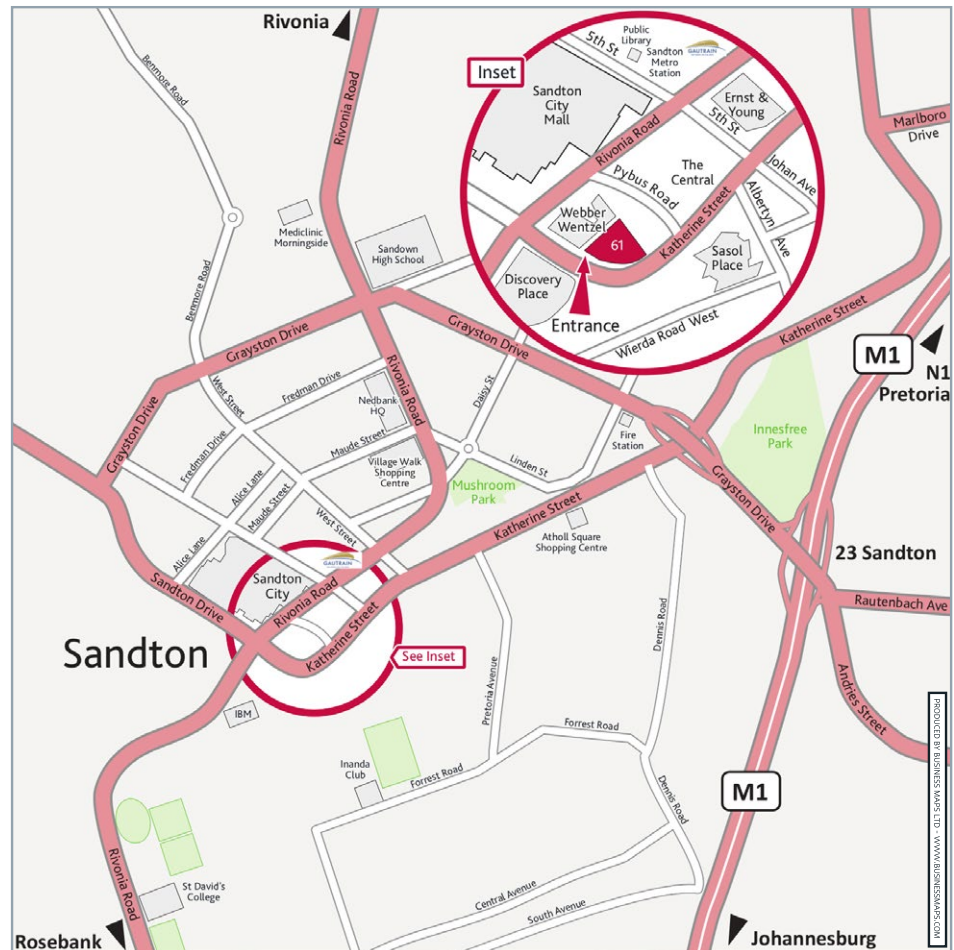

Drive along Rivonia Road from Illovo, past St David's Marist College. After passing Protea Road on the right and Empire Place on the left, get into the right hand lane to turn right into Katherine Street. Approximately 50m from the intersection, turn left into 61 Katherine Street, which is the second building on the left.

## From the north along Rivonia Road

Drive past the Sandton Gautrain station on your right, cross the intersection at 5th Street and approximately 100m after the intersection at Pybus Road, turn left into Katherine Street. After 50m, 61 Katherine Street is the second entrance on the left.

## From the M1 highway

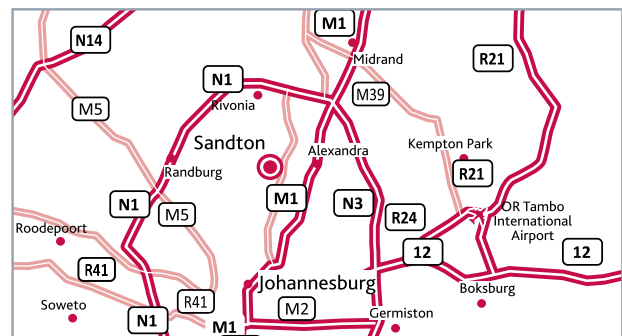

Take the Grayston Drive off-ramp for Sandton and head towards Sandton. Keep in the left-hand lane before the fly-over bridge and turn left into Katherine Street. Drive approximately 1.8km, straight past Atholl Square and over the intersections with Pretoria Avenue, West Street and 5th Street. Turn right

at the intersection into Pybus Road, continue up to the end and turn left into Rivonia Road. After approximately 100m, turn left into Katherine Street. Our entrance is on the left side of the road, approximately 50m from the intersection.

**Parking**  
Parking is available at our office. Your drivers' license will be required as identification by security at the entrance.

**By Rail**  
Sandton is the nearest Gautrain station. It is approximately a 600m walk to 61 Katherine Street. Exit and turn right onto Rivonia Road. Cross 5th Street and continue south west along Rivonia Road. You will pass alongside Sandton City shopping mall. At the intersection of Katherine Street, Rivonia Road and Sandton Drive, cross Rivonia

Road into Katherine St. Our entrance is on the left side of the road, approximately 50m from the intersection.

Alternatively catch a taxi to our office from the station.
